CHAIRMAN'S **STATEMENT**

Dear Valued Shareholders

Assalamualaikum,

It is great pleasure for me to be here with you at the 20th Annual General Meeting of Olympic Accessories Ltd. On behalf of the Board of Directors, I express my heartfelt thanks and profound gratitude to you for your support and trust during these unprecedented times. It is my privilege to present the Annual Report for the period from 1st July, 2022 to 30th June, 2023. It gives me immense pleasure that we get the opportunity to meet with all of you, discussing on the performance of the concerned year of the company.

Global business environment is suffering from increasing borrowing costs over the last one year. This was mainly due to policy changes by the Central Banks in the West to curb inflation rates, that remain stubbornly high in many countries. Although these kind of monetary policy measures are common; but the length for which interest rates were kept at historic high levels has decreased flow of cheap money in the world economies. Consequently, the world economy was deprived of cheap funds, and this has reduced overall global consumption. Bangladesh, being part of this global economy, also suffered significantly due to reduced consumption worldwide as majority of our exports destinations are in the North American and European continents. Olympic Accessories Ltd (OAL) was no different to this and consequently was affected from issues arising to the above mentioned scenario. I would like to start with a brief overview of the financial performance and strategy of our company going forward.

In FY 2022-23, the company's Revenue for the year stood Tk. 73.28 million. Net Loss After Tax for the year is Tk. (394.49) million. Net loss is (538.36%) of total Sales Revenue. Earnings Per Share (EPS) has been Tk. (2.33). Taking everything into consideration; The Board of Directors recommends No Dividend to the all shareholders for year ended 30th June, 2023.

I, on behalf of the Board, would like to express my sincere thanks to the valued shareholders for having confidence on the Board of the company throughout the year. I am also grateful to the Bangladesh Securities and Exchange Commission, Dhaka Stock Exchange Limited, Chittagong Stock Exchange Limited, Registrar of Joint Stock Companies & Firms, and Central Depository Bangladesh Limited, Banks and Financial Institutions and other stakeholders for their support and patronage extended to the company from time to time. I embrace your support and seek your co-operation by all means for a brighter future for all.

Management Discussion and Analysis

on Financial Position and Performance

As you are aware, we as a country have been facing significant pressure in our foreign currency reserves over the past one year. Depleting forex reserves coupled with local currency devaluation have significantly impacted on our normal process of procuring raw materials. We expect this to persist throughout the next year. Once the apparel demand picks up in the western countries, expected from mid-2024, this may ease the pressure on the country's forex reserves. We also expect our performance to improve over the next half of the fiscal year.

In the financial 2022-23, Olympic Accessories Ltd. generated sales amounting to Tk. 73.28 million, comparing to Tk. 456.78 million in 2021-22. Net loss after tax in the financial 2022-23 was Tk. (394.48) which was Tk. (31.72) million in financial year 2021-22.

Accounting policy and estimation for preparing financial statements have been remained same as it was before. Hence, there is no effect in this regard.

The Peer companies of Olympic Accessories Ltd. are SK Trims & Industries Ltd. and KDS Accessories Ltd. The comparisons for the year ended 30th June 2023 are as follows.

Indicator	Olympic Accessories Ltd. (OAL)	SK Trims & Industries Ltd. (SKTRIMS)	KDS Accessories Ltd. (KDSALTD)
Sales (Million Tk.)	73.28	887.55	2794.57
Net Profit/Loss Margin (Million Tk.)	(394.48)	79.75	153.25
Net Profit/Loss Ratio (AT)	(538.36%)	8.98%	5.48%
Net Cash Flow Per Share	0.44	0.11	(8.97)
EPS	(2.33)	0.94	2.15
NAV	11.05	15.57	26.13

As far as risks are concerned Olympic Accessories Ltd. is exposed to foreign exchange risk, inflation risk. Foreign exchange risk would be trade-off between export and import and thereby offsetting foreign exchange risk. In terms of inflation, this is adjusted in sales price. Hence, Company can mitigate this risk as well.

INDEPENDENT AUDITOR'S REPORT

To the shareholders

of

Olympic Accessories Limited

Report on the Audit of the Financial Statements.

We have audited the financial statements of Olympic Accessories Limited which comprise the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the period then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 30 June 2023, and of its financial performance and its cash flows for the period then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter:

- 1. The company reported tk. 158,136,932 as damaged goods loss of stock (raw materials tk. 35,969,322 and finished goods tk 122,167,610) in note no.24.01 due to cancellation of order by buyer as impact of Covid -19.The same has been written off during the year
- 2. The company made provision for an accumulated amount tk. 93,597,357 as doubtful debts in note no.08, since this amount is doubtful of recovery.
- 3. The company reported tk. 3,660,828 as unclaimed dividend out of which tk. 367,626 has been deposited in BRAC Bank Ltd. which is not as per circular of Bangladesh Security and Exchange Commission (BSEC).

We do not qualify our report in these respect.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon; we do not provide a separate opinion on these matters.

Valuation of Inventory

The inventory of Tk.74,426,103/-as at 30 June, 2023 held in warehouses and factory.

Inventories are carried at the lower of cost and net realizable value. As a result, the Directors apply judgment in determining the appropriate values for slowmoving or obsolete items.

We challenged the appropriateness of management's assumptions applied in calculating the value of the inventory provision by:

Evaluating the design and implementation of key inventory controls operating across the factory and warehouse.

- We have examined the inventory on test basis and reconciled the count results to the inventory listing to test the completeness of data.
- Reviewing the historical accuracy of inventory provisioning.

Note no. 7.00 to the financial statements

Measurement of deferred tax liability

Company reported net deferred tax liability totaling BDT 88,834,332/- in the financial statements as at 30 June, 2023.

Significant judgment is required in relation to deferred tax liability as their recoverability is dependent on forecasts of future profitability over a number of years.

We obtained an understanding, evaluated the design and tested the operational effectiveness of the Company's key controls over the recognition and measurement of deferred tax liability and the assumptions used in estimating the Company's future taxable income.

We also assessed the completeness and accuracy of the data used for the estimations of future taxable income.

We also assessed the appropriateness of presentation and disclosures in relation to deferred tax.

Refer to note 14.00 to the financial statements

Risk

Revenue recognition

Revenue recognition has significant and wide influence on financial statements.

The Company has reported revenue of BDT 73,275,682/- in the financial statements as on 30th June. 2023.

Revenue is recognized when the amounts and the related costs are reliably measured, and the performance obligation is complete through passing of control to the customers. Revenue from the sale of goods is recognized at the time when the goods are dispatched for delivery to the customers.

We identified revenue recognition as a key audit matter because revenue is one of the key performance indicators of the Company and therefore there is an inherent risk of manipulation of the timing of recognition of revenue by management to meet specific targets or expectations.

Our responses to the risk

We read the assessed compliance of company's revenue recognition policy in terms of IFRS 15: Revenue from Contracts with Customers'. Our audit procedures included the following:

- We have evaluated and validated the key controls related to the Company's sales process from end to end, from contracts approval and sign-off, recording of sales through to cash receipts and customers' outstanding balances.
- We assessed the design and implementation of these controls. We tested a sample of individual sales transactions and traced to dispatch notes and subsequent cash receipt or other supporting documents;
- Assessed the sales with VAT returns. All the VAT returns have been produced.
- Assessed the design of the processes set up to account for the transactions in accordance with the company policy;
- Assessed whether any adjustments are required.

Refer to note 22.00 to the financial statements

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report other than the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein of this other information, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgments and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- · Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

· Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit

Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the Company' financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner

evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the

that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we

identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may

reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in

our report because the adverse consequences

of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994 and the Securities and Exchange Rules 1987, we also report the following:

We have obtained all the information and explanations which to the best of our knowledge and belief were

necessary for the purposes of our audit and made due verification thereof;

b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appeared

from our examination of these books;

c) The statements of financial position and statements of profit or loss and other comprehensive income dealt with

by the report are in agreement with the books of accounts and returns; and

d) The expenditure incurred was for the purposes of the Company's business.
